Features	Benefits
Made in Germany	Over 85 years of Stainless Steel know-how make Blanco one of the world leaders in sink manufacturing, which translates to superior products for your home
18/10 Surgical Grade stainless steel	Crafted from premium stainless steel and finished with Blanco's patented brushing techniques, which helps conceal scratching and markings
Deep profile Edge	- Strong rigid work surface - Helps prevent water escaping from the sink to your bench top - Strength and stability
Raised Tap Landing	Further elevates tap from water and helps to prevent grime build up at the base of the tap
20L capacity bowls x2	Maximum bowl capacity easily accommodates large baking trays, pots and utensils
Polyethylene Seal and Sink clips applied.	This unique seal eliminates the risk of water penetrating the cabinet below. It is also bacteria resistant, anti-mould and anti-mildew and does not require additional sealant from the installer. Blanco provides 20% more sink clips than most other brands making this sink one of the simplest to install.
